## **Argument**

The Substitute Examiner's Answer does not contain a rejection designated as a new ground of rejection; nor was the Substitute Examiner's Answer written in response to a remand by the Board for further consideration of a rejection. Therefore, it is not believed that the Appellant is required to file a reply to the Substitute Examiner's Answer. Nevertheless, by filing this Reply Brief under 37 CFR 41.41, Appellant respectfully requests that the appeal be maintained.

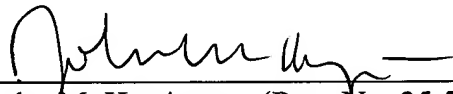

**Conclusion**

It is respectfully submitted that the rejections of claims 1-58 are improper. Applicant respectfully requests the final rejection by the Examiner be reversed and claims 1-58 be allowed.

Respectfully submitted,

Date: 10/24/05
